

MOBILIZING FOR MISSIONS to the NATIONS

How can we as churches be involved in missions when we cannot physically “go” to far off places? Can we still have an impact for God’s kingdom?

Yes! We can be active in many ways.

Here are just a few ideas:

Roma People (Gypsy) of Central and Eastern Europe

In Romania, North Carolina Baptists are working and sending teams to work with a Roma church and five (5) surrounding villages where new churches have been planted.

Needs with this ministry:

- * Alicia Jones, our NC Baptist missionary to the Roma people
 - prayer
 - encouragement
- * Help local leaders finish 2 church buildings
 - with prayer
 - with financial donations
- * Firewood money to help heat churches in the cold winters.
- * Invite a speaker to share about this mission work.
- * NC Baptist contact: Teresa Jones at tajones@ncbaptist.org.

Armenia: The Land of Noah

- * Specific prayer need – funds to purchase a building in the Nagorno-Karabakh Region that will allow a seminary satellite location and a new church site.
- * Pray for pastors by name. (Contact BBA for list.)
- * Adopt a pastor and support his ministry through a monthly donation.
- * NC Baptist contact: Paul Langston at plangston@ncbaptist.org.

Door of Hope – South Africa

Since 1999, Door of Hope has rescued over 1,600 abandoned, aborted, abused, and orphaned babies through the ministry of Christian caregivers and volunteers to the point of adoption.

- * Pray that the municipality will approve rezoning so that a full building program can be launched in late 2019 or 2020.
- * Pray for the leadership and staff by name. (Contact BBA for list.)
- * NC Baptist contact: Paul Langston at plangston@ncbaptist.org.
